Headline: Lone Ranger and Tonto Visit The Range Regulators

The Lone Ranger and Tonto walked into the Bleeding Heart Saloon and sat down to drink a beer. After a few minutes, Idaho Spud walked in and said, "Who owns the big white horse outside?" The Lone Ranger stood up, hitched his gun belt, and said, "I do... Why?" The cowboy looked at the Lone Ranger and said, "I just thought you'd like to know that your horse is about dead outside!"

The Lone Ranger and Tonto rushed outside and sure enough Silver was ready to die from heat exhaustion. The Lone Ranger got the horse water and soon Silver was starting to feel a little better. The Lone Ranger turned to Tonto and said, "Tonto, I want you to run around Silver for a little while and see if you can create enough of a breeze to give him a little relief!"

Tonto said, "Yes, Kemosabe" and took off running circles around Silver.

Not able to do anything else but wait, the Lone Ranger returned to the bar to finish his beer.

A few minutes later, Dick Holliday struts into the bar and asks,

"Who owns that big white horse outside?" The Lone Ranger stands again, and claims, "I do, what's wrong with him this time?" Dick Holliday looks him in the eye and says...

"Nothing, but you left your Injun runnin'."

Seems like a while since we shot a match as we missed last month due to the NRA steel pig and chicken shoot'n championship match being held at the Buccaneer Range.....so to make up for it we had a 5 stage match to get back into the swing of things....We had a good hard working posse and everything went smooth and fast. The last stage was a long fun stage that used the entire range and all the props. We started to make everybody mount ole Blue "Our new trusty steed" but since we had a few shortlegged posse members that idea was scratched....The scores for the match went like this.....

Regulators	Seniors	Duelist	Cowgirls
Ragtime Kid	Idaho Spud	Cowboy Cloud	Carolina Rose
Dick W. Holliday	Doc Clock	Pard Picket	
Bullseye Mike	Tom Two Feathers		
Killer Karl			
Derringer Dan			
Marshall			
Silverado			

You need to be at the next match as we will breaking out our new Texas Star which arrived too late for the June Match but i've tested it and it works like a champ (when i hit them)....if you've never shot a Texas Star before, you'll be in for a treat or a disaster depending upon how you shoot it.....Just remember that we're laughing with you, not at you....Uh Huh.....We may even break out the State Farm spittoon and try spitting beans again.....

If you still want more cowboy stuff you should go to [www.ragtimekid.com](http://www.ragtimekid.com) that's Ragtime's and Carolina Rose's website....lots of great pictures of the match.....So until next match don't forget.....Take a kid shooting.....Respectfully submitted....Ned Bluntline.
