Headline: Rocky Point Rebel Goes To The Theater For a Little Culture

A cowboy named Rocky Point Rebel lay sprawled across three entire seats in the posh Amarillo Dance Hall and Theater.

When the usher came by and noticed Rebel's condition, he whispered to Rebel "Sorry sir, but you're only allowed one seat."

Rebel groaned but didn't budge. The usher became more impatient: "Sir, i don't care if you are drunk-if you don't get up from there i'm going to have to call the manager." Once Again Rebel just groaned. The usher briskly marched back up the isle and in a few moments was back with the manager. Together they both tried repeatedly to move Rebel, but with no success.....Finally they summoned Sheriff Holliday. The Sheriff surveyed the situation briefly then asked Rebel, "All right cowboy, what's your name?" "Rocky Point Rebel" groaned the cowboy....."Where ya from Rebel" asked the Sheriff. With great pain in his voice Rebel replied....."The Balcony".....OOOOOOOOOOOOoooooooh i bet that will leave a mark.....

The Buccaneer Range Regulators started the new year off with a bunch of bangs at the January match.....We had 20 cowboys and cowgirl and 4 stages in this months match. After the match, there was a barbeque dinner put on by the Deer Dog Contest crowd and everybody that wanted some got to eat.....i really like it when there's something to eat and i didn't have to cook it.....
